

Funbridge, partner of the BRIDGE2SUCCESS FEST 2019 on May 11!

HOW TO JOIN THE BRIDGE2SUCCESS FEST 2019 ON FUNBRIDGE?

1. Download the Funbridge app for free

- From the [App Store](#) (iPhone, iPad).
- From the [Google Play Store](#) (Android smartphones and tablets).
- From the [Funbridge website](#) (PC and Mac).

2. Play your first deal

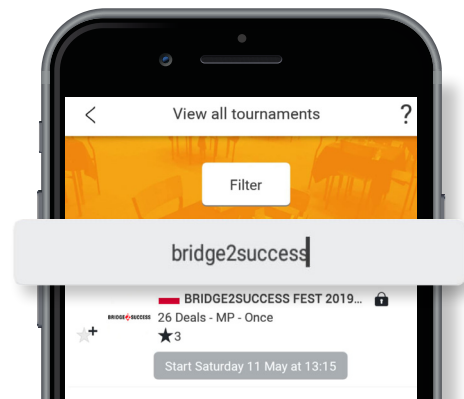

Once the app is downloaded, you will be invited to **play your first deal** or **learn how to play** thanks to **the introductory module to bridge**. When your first deal is over, you will have to enter a **nickname**. Once chosen, you will access the home screen of the app and you will get 100 deals for free.

3. Go to the Exclusive Tournaments game mode

- From the home screen, go to **Get started/Practise > Exclusive Tournaments > View all tournaments**
- Type 'BRIDGE2SUCCESS' in the search bar
- Choose the 'BRIDGE2SUCCESS FEST 2019' tournament.
- Use the password 'FUNFEST2019'
- Congrats, you now have access to the tournament!

If doing it before the start time, put the tournament into favorites by ticking the star and come back on the 11th, you will then be asked the password. A reminder will be sent to you when the tournament will start.

If doing it after the start time, just enter the password and press play.

Funbridge, official partner of the Polish Bridge Union

Funbridge has built solid partnerships with several bridge federations including the PZBS. Thanks to this cooperation Funbridge has organized PZBS tournaments within its application. These tournaments will allow you to earn Masterpoints and thus improve your national ranking if you are a PZBS member.

FUNBRIDGE IN A FEW WORDS

Game modes for all players

Funbridge is a bridge game allowing you to learn bridge rules and play bridge boards through numerous game modes split into three main categories:

- Get started/Practise: to get familiar with bridge and progress at your own pace
- Play a tournament: the 'competition' mode of the app
- Challenge a player: challenge your friends or other Funbridge players in head-to-head tournaments.

Play whenever and wherever you want!

Your partner North and your opponents East-West are controlled by the app AI called 'Argine'. Argine is available 24/7 to play with you!

Compare yourself to other bridge players!

You and the other players of the community play the same boards. The aim is to make the best contract in order to earn as many points as possible and to top the final rankings. You can easily compare your play and results with other bridge players.

Funbridge in figures

Over 1 million boards played every day.
70,000 players every day.
Over 200 countries represented.
13 languages.
